CORE
COACHING PROGRAM

“I can say this; we are in the best financial shape we have ever been in.” – Kirk

"You will receive training equivalent to an associate's degree in personal finance, but you will have a Master's degree in YOUR finances!"

Are you sick and tired of being broke?
Are you frustrated with your money (and the lack of it)?
Does the word “investing” intimidate or overwhelm you?
Are you ready to take your finances to the next level?
Are you ready to start winning like never before with your money?
Is today the day you take ownership of your financial future?

If you answered “Yes!” to any of these questions, the I Was Broke. Now I’m Not. Core Coaching Program was designed with you in mind!

“You have broken down to me what others have been trying to explain for a years now. Now I can practically apply what I've heard.” - Ebony R.
